Legal Requirements & Information Reporting

Federal Real Property Management (RPM) : is defined as the acquisition, utilization, and disposal of federally owned land and affixed improvements

Focus Area:

United States Army Implementing Instructions and Federal Statutory Requirements

Eagan, McAllister

Overall Goal

- **Seamless incorporation of United States Army real property implementing instructions into the Federal Real Property Management (RPM) Information Transfer process**

  - **Addition of Army Regulations**

  - **Correlation of Army Regulations to US Codes and Executive Orders**

  - **Inclusion of Army links and progress reports**

Process

- **Research and identify Army-specific regulations**
  - **Review hq.usace web site for rules currently in use by Army personnel**
  - **Compare included statutes to those currently on the RPM site**
  - **Prepare/revise statutes in RPM site to reflect Army format**
  - **Prepare executive summaries for newly identified requirements**

Process - continued

- **Research and identify Army implementing documents – leveraging existing research**
  - **ACSIM web site**
  - **Material and links from Center staff**

- **Identity level at which documents will be included**
  - **ARs – Army Regulations**
  - **DA PAMs – Dept. of the Army (DA) Pamphlets**
  - **Army Dir – Army Directives**
  - **DAGO – DA General Orders**
  - **HQ DA Dir. – Headquarters DA Directives**
  - **HQ DA Ltr. – Headquarters DA Letters**

Eagan,
McAllister

Process - continued

- **Official Army Publications site to be source for document full text links**

- **Prepare executive summaries for Army documents**

- **Correlate Army implementing documents with related Federal statutes**

Process - continued

- **Modify Database to accommodate Army documents**

  - **Develop new data tables**

  - **Data will automatically appear in navigational structure**

- **Prepare page to display other Army material**

  - **Progress Reports**

  - **Links**

Deliverables

- **Monthly progress reports provided on the RPM site See sample report**

- **In-process reviews and technical briefings**
    - **June 2002 progress update**
    - **August 2002 update and identification of next steps and prioritization**
    - **September 2002 - overall status and evaluation**

- **Additional material as required to support Army real property objectives**
    - **Special research and reports can be provided**
    - **Such additional efforts impact overall**

Eagan, McAllister

Plan of Actions and Milestones (POA&M)

Task Name	February / Feb	March / Mar	April / Apr	May / May	June / Jun	July / Jul	August / Aug	September / Sep	October / Oct
Award of Army Tasking	◆ 2/4								
Receive funding for Army effort		◆ 2/27							
Research Army document sources		▬▬							
Develop new data tables			▬						
Prepare pages to display Army progress reports and other material			▬						
Modify existing statutes to support Army statute format				▬▬					
Army project Kick-off brief				◆ 4/19					
List Army documents with hyperlinks on site					▬▬				
Write executive summaries for Army Documents					▬▬▬▬▬▬▬▬▬▬▬▬▬▬				
Correlate Army documents with Statutes					▬▬▬▬▬▬▬▬▬▬▬▬▬▬				

Real Property Management Regulations and Information Transfer

- **http://rpm.wes.army.mil**

Topics to be discussed

- **Army document types to be included must be identified and prioritized**

- **Implementing documents are added, deleted, or revised based on the laws – does the Army want to be included in the review and update process**

- **Potential future enhancements (beyond current SOW)**

  - **Correlation of Army documents with CADD/GIS Spatial Data Standards and Facilities Management Standards (SDSFIE/FMSFIE)**

  - **Addition of some remaining Army documents**
